Agenda item 173
Financing of the United Nations Transitional Administration in East Timor

Draft resolution submitted by the Vice-Chairman following informal consultations

Financing of the United Nations Transitional Administration in East Timor

The General Assembly,

Having considered the report of the Secretary-General on the financing of the United Nations Transitional Administration in East Timor[1] and the related report of the Advisory Committee on Administrative and Budgetary Questions,[2]

Bearing in mind Security Council resolution 1272 (1999) of 25 October 1999 regarding the establishment of the Untied Nations Transitional Administration in East Timor,

Recognizing that the costs of the Mission are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recognizing also that, in order to meet the expenditures caused by the Mission, a different procedure is required from that applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,
